

IMPORTANT INFORMATION

We are planning to hold our next quarterly meeting in person, on October 25th, at the Jewish Federation in Ft. Myers, assuming they are back in operation by that time. More details and updates will be forthcoming.

If we are not able to meet in person, we will continue to meet virtually.

I hope all posts are meeting virtually – there are several platforms you can use for your on-line meetings. Members with a computer or smart phone can join in via video and those who choose not to use video, or do not have access, can join in by phone (voice only). If anyone needs assistance with setting up a meeting, please contact me.

I have sent current rosters to all Post Commanders. Please update them with phone numbers and email addresses if available and return a copy to me.

All correspondence will be going out electronically. Please ensure that all post members without email are contacted with the information provided.

The Annual Department Convention was conducted virtually on Sunday June 7th. We were honored to have our National Commander join us during the convention. In addition to installing the Department Officers for the coming year, we also installed the officers of Posts 265, 606, and 631. If your post has not yet installed your officers for the coming year, please contact me.

The Department of Florida needs funds to maintain our yearly operations. We conducted a raffle during the convention, but the Department is still in need of additional revenue. If you would like to donate, please see the website.

Periodically check the Department of Florida Website JWV-FL.org for updates.

Stay safe,

Larry Jasper
Commander,
Department of Florida
